Hi all!! My name is **Ella Zimny**, and I am originally from Royalton, Minnesota. Now, I spend most of my time down in Winona, where I am a junior studying Elementary Education at Winona State University. I had so much fun last summer as a Totus Tuus Missionary that I am back for round 2, and even more excited for this year!! I can't wait to spend my summer pursuing new friendships, better faith, community, and teaching young ones and teens all about our Lord!

Hi I'm **Zach Klimek**! I'm a second-year seminarian from Sauk Centre. I enjoy golfing, playing sports, singing, and spending time with my friends. I love telling jokes and having a good laugh.

My name is **Natalie Wensmann**, and I'm from Upsala, Minnesota. I will be a senior at Winona State University, studying Elementary Education. I am passionate about working with children and supporting their growth academically, personally, and spiritually. In my free time, I enjoy hiking, being outdoors, and spending time with my family and friends. I am excited to meet and work with all the families and children in the St. Cloud diocese!

Hi I'm **Isaac Becker**! I grew up in the Twin Cities. Then I lived in Peru and Costa Rica throughout my high school years. After that I lived near Little Falls for a while. For the past two years I have been studying Catholic Studies and Spanish at the University of Mary. Now I travel from parish to parish as a Totus Tuus missionary.

Meet the Totus Tuus Assistant

“I am **Thomas Dockendorf** from Mary of the Immaculate Conception Parish in Rockville. I am looking forward to beginning my fourth year of formation as I transition into major seminary this fall. One of my favorite aspects of Totus Tuus is teaching the truths of the faith and helping others encounter God’s love through engaging and joyful activities.”
