

FIELD TRIP

STATEMENT OF POLICY

The (Arch)Diocese of St. Cloud and/or Four Pillars in Faith ACC & Isanti ACC

Parish/School recognizes the importance and value of trips for educational field study and approves of these visits to places of cultural or educational significance to further enrich the lessons of the classroom. This policy permits principals and/or assistants/vice principals to approve of field trips during normal school hours on a single school day. However, if out-of-state field trips, or any field trips to foreign countries are planned, these must have the ultimate approval of the (Arch)Diocese and/or school board. The following regulations should be taken into consideration when any field trips are being planned. They are as follows:

1. Adequate supervision by qualified adults, including one or more employees of the (Arch)Diocese and/or school.
2. Waivers by all adults and all parents/guardians of students taking any field trip of all claims against the (Arch)Diocese and/or the school for injury, accident, illness or death occurring during, or by reason of the field trip.
3. Proper insurance for students, personnel, and equipment. Any children and chaperones registering for a field trip should be able to show evidence of medical/health insurance for any accidents/bodily injury sustained on a field trip. If necessary, group accident insurance can be tailored and written on an event-specific basis. Please consult your Member Services Representative at Catholic Mutual Group if you have any questions. In addition, anyone bringing special equipment or gear from home for the benefit of the field trip should be advised that they are responsible for providing insurance in the event of damage, theft or other unforeseen circumstances.
4. If a fee is charged for the field trip, a contingency should be made for any student member who cannot afford the trip. Ideally, a student(s) should not be excluded because of lack of funds.
5. Inclusion of a proper first aid kit and fire extinguisher.
6. Permission in a written form from each student's parent or legal guardian to provide medical treatment if necessary.

Finally, to ensure the desired outcome of such field trips, teachers should prepare the students for the place that is to be visited and the things that are to be seen. Additionally, an advance visit should be made to the site of the field trip by the teacher so that any and all unforeseen circumstances, situations, and/or events could be properly planned for; so that any difficulties would be minimized.
